Dear Mr. Schmidt,

On July 20, 2005, I was granted a *petition to make special*. It is now February 6th and the last status date was 10/27/2005 on which I responded to a finding by Roderick Bradford. Must I file another petition to make special because of health? I don't understand why there has been so lengthy a wait. I suppose there are a lot of other applications with petitions considered. My age and health situations are of concern. My application number is 10/644111.

Thank You,

Keith Sauerland
